Some teachers use the calendar in Synergy to show an assignment on the date assigned.

The screenshot displays the Synergy user interface. On the left is a vertical navigation menu with options: Home, Messages, **Calendar** (highlighted with a yellow arrow), Attendance, Class Schedule, Course History, Fee, Grade Book, Health, Report Card, School Information, Student Info, MN State High School League, Central MN Conference Calendar, Gmail, Test History, and Documents. The main content area is titled "CALENDAR" and includes filters for "Classes", "Assignment Type", and "Assignment Status". Below the filters, it shows "Today" and a calendar for "October 2020" with "Month", "Week", and "Day" views. A calendar grid on the right shows the current date, October 13th, highlighted. The main content area displays "Tuesday Oct 13" and a "Chapter 1 Test" assignment for "Kummet, Z Earth Science 8(6) : Chapter 1 Test - Score: 96.15". Below this is a "Class Schedule" section titled "Red (A Day)" with a table of classes:
