## ParentVUE Account Access

The login screen for ParentVUE. At the top, it says "Login" and "Pierz School District #484". There are two input fields: "User Name:" and "Password:". Below the password field is a "Forgot Password" link. A blue "Login" button is centered below the fields. To the right of the button is a "More Options" dropdown arrow. Below the login section, there are two links: "Activate Account" with a power icon and "Forgot Password" with a lock icon. At the bottom, there are three options for mobile access: "iPhone App" with the Apple logo, "Android App" with the Android logo, and "Mobile App URL" with a link icon and the URL "https://t3.region1.k12.mn.us/rt0484/". At the very bottom, it says "English | 48 Español".

## Parent Account Activation

The account activation screen, titled "Step 2 of 3: Sign In with Activation Key". It contains the following text: "Please enter your first name, last name and the 7 character authentication key (provided to you by the district), to activate your ParentVUE account:". Below this are three input fields: "First Name", "Last Name", and "Activation Key". At the bottom of the form is a blue button labeled "Continue to Step 3".

After you log in, you will see the HOME page. Click on Grade Book.

# Viewing and Printing Report Cards

To view student report cards, scroll down to Documents from your Student's main page in Synergy. This will show quarter and semester report cards viewable in PDF format. From there, you can print if you'd like.

Some teachers use the calendar in Synergy to show an assignment on the date assigned.

The screenshot displays the Synergy user interface. On the left is a vertical navigation menu with options: Home, Messages, **Calendar** (highlighted with a yellow arrow), Attendance, Class Schedule, Course History, Fee, Grade Book, Health, Report Card, School Information, Student Info, MN State High School League, Central MN Conference Calendar, Gmail, Test History, and Documents. The main content area is titled "CALENDAR" and includes filters for "Classes", "Assignment Type", and "Assignment Status". Below the filters, it shows "Today" and a calendar for "October 2020" with "Month", "Week", and "Day" views. A calendar grid for October is shown on the right, with the 13th highlighted. The main content area displays "Tuesday Oct 13" and a "Chapter 1 Test" assignment for "Kummet, Z Earth Science 8(6) : Chapter 1 Test - Score: 96.15". Below this is a "Class Schedule" section titled "Red (A Day)" with a table of classes:

Class	Teacher
01: 0355S1 CC - Algebra 8 - 0355S1-01 8:12 AM-9:46 AM	LeBlanc, Jessica
02: 2041S1 Geography 8 - 2041S1-02 12:00 AM-12:00 AM	Egan, Corey
03: 5511 Art 8 - 5511-01 9:48 AM-11:22 AM	Underhill, Sara
04: 0413SX Exploratory 8 Red - 0413SX-01	Gagne, Amy

On the right side of the interface, there is an "Events" section with a list of checked items: Assessments, Assignments, Class Schedule, Holidays, and School Events.

Teachers using Google Classroom will have assignments listed by due date. Have your student go to their Drive (using their school email), the choose the Calendar.

The screenshot displays a Google Calendar interface for October 2020. The top navigation bar includes a 'Today' button, navigation arrows, the month 'October 2020', a search icon, a help icon, a settings gear, a 'Week' view selector, and a profile icon. A yellow arrow points to the profile icon, which has opened a dropdown menu. This menu contains icons for various Google services: Account, Gmail, Drive, Classroom, Docs, Sheets, Slides, Calendar (circled in yellow), Meet, Currents, Sites, and Contacts. The calendar grid below shows days from Sunday (11) to Friday (15). Assignments are listed as colored blocks: 'Columbus Day' (green), 'Indigenous Peoples' D' (green), 'Assignment: British La' (purple) on Monday; 'Assignment: Quiz - Ser' (purple) on Tuesday; 'Assignment: 9/14 Edpi' (purple) and 'Assignment: RC - 10/1' (purple) on Thursday; 'Assignment: Unit 1 - Story' (blue) on Friday; and 'Assignment: Week 1 Hybr' (green) on Saturday. A red dot is visible on Wednesday at 10 AM.

If this is your first time logging into Synergy, you'll need to get an Activation Code from Kim Radunz in the High School office. You can email your name and student name to [kradunz@pierzschoools.org](mailto:kradunz@pierzschoools.org) to request an activation code.

Here is the link to log in to Synergy!
